A Sorta Fairytale - 1/3

Interprété par Tori Amos.

on my way up north
 up on the ventura
 i pulled back the hood
 and i was talking to you
 and i knew then it would be
 a life long thing
 but i didn't know that we
 we could break a silver lining

 and i'm so sad
 like a good book
 i can't put this day back
 a sorta fairytale
 with you
 a sorta fairytale
 with you

 things you said that day
 up on the 101
 the girl had come undone
 i tried to downplay it
 with a bet about us
 you said that-
 you'd take it
 as long as i could
 i could not erase it

 and i'm so sad
 like a good book
 i can't put this day back
 a sorta fairytale
 with you
 a sorta fairytale
 with you

 and i ride along side
 and i rode along side
 you then
 and i rode along side
 till you lost me there
 in the open road
 and i rode along side
 till the honey spread
 itself so thin
 for me to break your bread
 for me to take your word
 i had to steal it

and i'm so sad
like a good book
i can't put this day back
a sorta fairytale
with you
a sorta fairytale
with you

i could pick back up
whenever i feel

down new mexico way
something about
the open road
i knew that he was
looking for some indian blood and
find a little in you find a little
in me we may be
on this road but
we're just
impostors
in this country you know
so we go along and we said
we'd fake it
feel better with
oliver stone
till i
almost smacked him -
seemed right that night and
i don't know what
takes hold
out there in the
desert cold
these guys think they must
try and just get over on us

and i'm so sad
like a good book
i can't put this
day back
a sorta fairytale
with you
a sorta fairytale
with you

and i was ridin' by
ridin' along side
for a while till you lost me

and i was ridin' by
ridin' along till you lost me
till you lost
me in
the rear
view
you lost me
i said

way up north i took my day
all in all was a pretty nice
day and i put the hood
right back where
you could taste heaven
perfectly
feel out the summer breeze
didn't know when we'd be back
and i, i don't
didn't think
we'd end up like
like this
