

## Disease - 1/2

**Interprété par Matchbox 20.**

Feels like you made a mistake  
You made somebody's heart break  
But now I have to let you go  
I have to let you go  
You left a stain  
On every one of my good days  
But I am stronger than you know  
I have to let you go

No one's ever turned you over  
No one's tried  
To ever let you down,  
Beautiful girl  
Bless your heart  
I got a disease  
Deep inside me  
Makes me feel uneasy baby  
I can't live without you  
Tell me what I am supposed to do about it  
Keep your distance from it  
Don't pay no attention to me  
I got a disease

Feels like you're making a mess  
You're hell on wheels in a black dress  
You drove me to the fire  
And left me there to burn  
Every little thing you do is tragic  
All my life, oh was magic  
Beautiful girl  
I can't breathe  
I got a disease  
Deep inside me  
Makes me feel uneasy baby  
I can't live without you  
Tell me what I am supposed to do about it  
Keep your distance from it  
Don't pay no attention to me  
I got a disease

I think that I'm sick  
But leave me be while my world is coming down on me  
You taste like honey, honey  
Tell me can I be your honey  
Be, be strong  
Keep telling myself it that won't take long till  
I'm free of my disease

## Disease - 2/2

Yeah well free of my disease  
Free of my disease  
I got a disease  
Deep inside me  
Makes me feel uneasy baby  
I can't live without you  
Tell me what I am supposed to do about it  
Keep your distance from it  
Don't pay no attention to me  
I got a disease I think that  
I'm sick
