

## She Told Me - 1/2

**Interprété par Blue.**

There was a girl I knew, she was more the beautiful  
She had a mind of her own - 5 foot 8 or more.  
She was a real wild child and nothing could hold her back  
She was my sister's best friend so now you know where its at.

She's always been around, me and her were always down  
Right in front of me, how could I be too blind to see?  
She was always hangin' out, me and her we talked about everything  
I never knew.

She told me

If you like my style...come on  
If you need a ride...come on  
Compatible Starsign...come on  
That's what she told me  
If you like my style...come on  
If you need a ride...come on  
Compatible Starsign...come on  
She told me...

It was one of those times way back in the day  
She was at my door with a smile across her face  
I said "My sister ain't home - she's gone out for a while",  
She said "That's cool with me that's the reason I came by".

She's always been around, me and her were always down  
Right in front of me, how could I be to blind to see?  
She was always hangin' out, me and her we talked about  
Everything I never knew.

She told me yeh.

If you like my style...come on  
If you need a ride...come on  
Compatible Starsign...come on  
That's what she told me  
If you like my style...come on  
If you need a ride...come on  
Compatible Starsign...come on  
She told me

Sing....na na na na na – na na na na

She told me

If you like my style...come on
