## Let's Fall In Love - 1/1

## Interprété par Diana Krall.

I have a feeling , it's a feeling I'm concealing , I don't knowwhy It's just a mental sentimental alibi But I adore you , so strong for you Why go on stalling I'm falling love is calling why be shy

Let's fall in love Why shouldn't we fall in love Our hearts are made of it Let's take a chance Why be afraid of it

Let's close our eyes And made our own paradise Little we know of it Still we can try to made a got of it We might have been meant for each other To be or not to be let our hearts discover Lets fall in love, why shouldn't we fall in love Now is the time for it, while we are young Let's fall in love We might have been meant for each other To be or not to be, let our hearts discover

Let's fall in love Why shouldn't we fall in love Now is the time for it while we are young Let's fall in love Let's fall in love Let's fall in love
