Only You Know And I Know - 1/2

Interprété par Phil Collins.

We know you really only wanna hear The things we like to say But if I said to you please don't do it You do it anyway Sometimes I know, we gotta be cruel Be cruel to be kind When I ask you, what you see in me You say our love is blind

Cos only you know and I know The things we mean to say Only you know and I know The things we mean to say

Whenever I think I know you better Better than I know myself I open up and give you everything Then you say, O.K. what else And when I run away you always cry You always over react But I don't know if you know how you really feel But you better know before I get back

Cos only you know and I know The things we mean to say Only you know and I know The things we mean to say

Just try to remember Now I'm the one you love You told me, ooh try to remember I'm the one you're always thinking of You told me, please try to remember Before I walk away Remember It's not good enough telling me the way it was yesterday

Cos only you know and I know The things we mean to say Only you know and I know The things we mean to say

Only you know and I know The things we mean to say, yes Only you know and I know The things we mean to say

Only You Know And I Know - 2/2

Only you know and I know...
