

## Excess - 1/3

Interprété par La Reine Des Damnées.

I believe in  
I deceive in  
Bottom weaving  
I can breathe in  
Make a wish in  
Flower fishing  
Moving vibration  
Mild relation  
I'm jamaican on your radio station  
Got a curse in  
Could be worse in  
You first  
In a hearse in  
Good as dead in  
Nothing left in  
Nothing left in  
Some be heading  
I need a head rest in  
And a feed from a warm breast

A man making hits  
For the childhood of hicks  
Underground like  
Who's it sound like  
You all sound the same  
But you don't know my name

I believe in people lying  
I believe in people dying  
I believe in people trying  
I believe in people crying

Ah

I believe in people balking  
I believe in people talking  
Ah  
I believe in people breathing  
I believe in people being

We all sound the same  
You don't know my name  
Rearrange and  
Things don't change  
Things remain  
Feel the strain

## Excess - 2/3

Stress

Catch my breath

(There'll be a new tale of)

Get some rest

(He and I)

From the mess

(In fact any time)

I couldn't care less

(Every day)

Sugar cane

(Write fictional stories)

Is like smack to my vein

Shook fame

(If you want to)

But I don't complain

(On the street)

I believe in different reasons

I believe in breath through seasons

I believe when snow flakes fall

I believe in buildings tall

Ah

I believe in people bombing

I believe in people warring

I believe diseases coming

I believe that's why I'm running

Ah

Keep living

Ah

Keep living

You gotta ask

(There'll be a new tale of)

Before he attacks

(He and I)

You got the flats

(In fact any time)

Dub my sacks

(Every day)

You've got the city

(Writing fictional stories)

Move out of the country

I'm scrunching

## Excess - 3/3

(If you want to)  
Friends that are punchy  
(On the street)

I believe in people bombing  
I believe in people warring  
I believe diseases coming  
I believe that's why I'm running

Ah

I believe in people balking  
I believe in people talking

Ah

I believe in people breathing  
I believe in people being

Ah

Keep living...
