Check it

It was like 6 of us

3 in the Benz, 3 in the truck

On 85 going to the pub

10 minutes later is when we pulled up I

Parked the Benz, hit the alarm, glanced down at my rims

Tucked in my pant leg in the tongue of my Timbs

Hand in my shirt til we feel the gin

Proceeded to walk in just then I saw this

'nificent misses sippin' on a glass of Cris'

With a couple of her friends giggling

I knew

U are the one

I don't give a damn

Even if ya got a man take my hand girl

U are the one

Girl I know you'll understand

If you just give me a dance, take a chance girl

Said I know u got a few with you

Don't even trip I got my crew here too

Can ya grill what ya wanna do

I really wanna chill with you

Tell your friends they can hop in the truck, we'll take the Benz

But if we split up maybe we can hook up again

You never know I guess that all depends

If I can get you from the flo' [floor] to the do' [door] of my 6-0-0

You all ??? and ?????

So finish that Mo' [Moët], get your coat, tell your girls "come on let's go" cuz
