

## Saturday - 1/2

I can't wait  
I can't wait  
Tired of working, tired of thinking  
Don't wanna read no books I can't believe  
I'm sitting here at home waiting for the weekend to come  
I need some excitement  
I put on my clothes and go out with my friends and look  
For something on the other side of town  
I gotta find a place where I get down  
The bass is pumping, music's playing all night long  
Hey Mr. DJ won't you play my favourite song  
So I can feel the beat and dance until the dawn  
Why don't you turn the volume up, lets get it on  
Can't wait til Saturday  
I just wanna party and I just wanna play  
Call me on Friday  
We can have some fun and just get away  
Can't wait & til Saturday  
I just wanna party and I just wanna play  
Call me on Friday  
Gonna move my body  
Wish I could go out every night and then sleep until way past 2  
I can't believe there's so much work to do  
I guess I got to wait the whole way through  
Try something more on to get my groove on  
Make sure I'm looking cool  
Tomorrow's gonna be a great night out  
Gonna hit the club and just hang out  
The bass is pumping, music's playing all night long  
Hey Mr. DJ won't you play my favourite song  
So I can feel the beat and dance until the dawn  
Why don't you turn the volume up, lets get it on  
Can't wait & til Saturday  
I just wanna party and I just wanna play  
Call me on Friday  
We can have some fun and just get away  
I just can't wait & til Saturday  
Can't wait & til Saturday  
I just wanna party and I just wanna play  
Call me on Friday, gonna move my body  
Here we go  
Can't wait til Saturday  
I just wanna party and I just wanna play  
Call me on Friday  
We can have some fun and just get away  
Can't wait til Saturday  
I just wanna party and I just wanna play
