

# Do You Remember - 1/1

**Interprété par Phil Collins.**

We never talked about it , but I hear the blame was mine  
I called you up to say, I'm sorry, but I wouldn't wanna waste youy time  
'Cos I love you, but I can't take anymore  
There's a look I can't describe in your eyes  
We could try like we're tried before, would you keep on telling me those lies

Do you remember, do you remember, tell me do you remember, do you remember

There seemed no way to make up, because it seems your mind was set  
The way you looked, it told me, that's a look I know I'll never forget  
You could've tried to see the distance between us  
But it seemed too far for you to go

Tell me do you remember, do you remember, Tell me do you remember, do you remember

Through all of my like, inspite of all the pain  
You know people are funny sometimes, 'cos we just can't wai to get hurt again  
Tell me do you remember, oh do you remember

The feelings we won't recall, are feelings we'll never find,  
It's taken so long to see, 'cos we never seemed to have the time  
There was always something more important to do, more important to say  
And I love you wasn't one of those things, but now it's too late

Tell me do you remember, now it's over, do you remember, ooh it's over  
Tell me do you remember  
Do you remember now it's over, do you remember, ooh it's over

Just tell me now, tell me now, just tell me now, tell me now  
Tell me do you remember,  
Do you, do you , do you, do you, do you remember, do you remember  
Do you remember now it's over, do you remember, ooh it's over,  
Do you remember now it's over, do you remember, ooh it's over  
Do you remember, now it's over, do you remember, ooh it's over
