

I will Love You - 1/1

Interprété par Fisher.

Till me body is dust
Till my soul is no more
I will love you love you
Till the sun starts to cry
And the moon turn to rust
I will love you, love you

But I need to know will you stay for all time
Forever and a day
And I'll give my heart till the end of all time
Forever and a day

But I need to know will you stay for all time
Forever and a day
And I'll give my heart till the end of all time
Forever and a day

Till the storms fill my eyes
And we touch the last time
I will love you, love you
I will love you, love you
I will love you, love you
