

(i Want To Live On An) Abstract Plain - 1/1

Interprété par Frank Black.

I've had it with this town
I never saw those shifting skies
I never saw the ground
Or the sunset rise
I want to live on an abstract plain
I'm building a fame
A place to put my ten-yard stare
Thinking of that paint
Painted in plein-air
I want to live on an abstract plain
I need a new address
I want some new terrain
Is it North or South?
I want to live on an abstract plain
I could sit on the roof
On top of that abstract hose
See my abstract view
An abstract mouse
Want to live on an abstract plain
I need a new address
Tell me I'm not insane
Is it up or down?
I want ot live on an abstract plain
