

Is She Weird - 1/1

Interprété par Pixies.

I know you're rich in Good clothes and little things Your mind is fancy (And your car is bitchin')

Is she weird is she weird, is she white Is she promised to the night And her head has no room And her head has no room

Your heart is ripshit Your mouth is everywhere I'm lyin' in it

Is she weird
Is she over me
Like the stars and the sun
Like the stars and the sun
Is she weird
Is she weird, is she white
Is she promised to the night
And her head has no room!

No more of this girl cryin' I'm here, your big man You're mine

Is she weird, is she white Is she promised to the night And her head has no room
