

Gay Rude Boys Unite - 1/1

Interprété par LeftÖver Crack.

Unity! HA! yer such a saint today
you may be anti racist but then you're anti gay
you may be ignorant from a lack of education
but if it's sympathy you see you seek
you better turn to another station

Intolerant society rears it's ugly face
you're turning your hardcore music into a homophobic disgrace
the gay ones, the straight ones, the white tan yellow and black
gay rude boys and girls, we're gonna take that dancehall back
we'll take it back, we'll take it back
because without respect there's gonna be nothing left

2000 triple zero stand up and take a look around
this ignorant fucking shit shouldn't happen in any town
so come on leave the closet and on your way out grab a bat
cuz there's a battle to be fought and the prize is fucking phat
autonomy from ignorance there's got to be a better way
but the racist, sexist homophobes and piggies gotta pay
but right now you got to get out of your fucking seat
and jam down to the faggot rythm's of that crack rock steady beat
