

Last Goodbye - 1/1

Interprété par Atomic Kitten.

Ain't no headlights on the road tonight
Everybody here is sleeping tight
Ain't nobody gonna find us here
We'll disappear
There's a chance we're in the arms of love
And he's dancing on the sky above
And the truth is that we'll never know
Sweet love full flow
Aim high shoot low
We gotta aim high shoot low baby

Ain't no headlights on the road tonight
Ain't nobody here to make it right
Cause we couldn't seem to find a way for love to stay
If you had another night to give
I would have another night to live
But you never gonna see me cry the last goodbye

Is it cloudy where you are tonight
All the neon lights are shining bright
Are you looking for a place to stay
To get away
??? down the hill
Running fast no time to care
And the truth is that we'll never know
Sweet love full flow
Aim high shoot low
Gotta aim high shoot low baby

If I could do it over, I'd do it all again
And if I got one more chance, I wouldn't change a thing
Aim high shoot low
Aim high shoot low
