

After Time - 1/1

Interprété par Era.

Hey, I'll brake the chains
That bind your face.
Hey, alone to touch
The sweet and readies...

After time...
After time...
After time...

Hey, the walls are burning,
Close your eyes.
Hey, and don't to lie
Before we face...

After time...
Be too late...
After time...

Hey, I'll brake the chains
That bind your face.
Hey, alone to touch
The sweet and readies...

After time
After time
After time...

Hey, the walls are burning,
Close your eyes.
Hey, and don't to lie
Before we face...

After time
Be too late
