Untouchable Face:

Think i'm going for a walk now, i feel a little unsteady i don't want no one to follow me except maybe you  
I could make you happy, you know, if you weren't already i could do a lot of things and i do  
Tell you the truth i prefer the worst of you, too bad you had to have a better half. She's not really my type but  
i think you two are forever  
And i hate to say it but you're perfect together

So fuck you and your untouchable face,  
fuck you for existing in the first place  
And who am i that i should be vying for your touch ? who am i ?  
Bet you can't even tell me that much

2:30 in the morning, my gas tank will be empty soon  
Neon sign on the horizon rubbing elbows with the moon  
Safe haven of the sleepless where the deep fryer's always on, radio is counting down the top 20 country songs  
Out on the porch the fly strip is waving like a flag in the wind.  
You know i really don't look forward to seeing you again soon. You look like a photograph of yourself taken  
from far far away, i won't know what to do, i won't know what to say

So fuck you and your untouchable face,  
fuck you for existing in the first place  
And who am i that i should be vying for your touch ? who am i ?  
Bet you can't even tell me that much

See you and i'm so perplexed : what was i thinking ? what will i think of next ? where can i hide ?  
In the back room there's a lamp that hangs over the pool table and when the fan is on it swings gently side to  
side. There's a changing constellation of balls as we are playing. i see orion and say nothing.  
The only thing i can think of saying is

So fuck you and your untouchable face,  
fuck you for existing in the first place  
And who am i that i should be vying for your touch ? who am i ?  
Bet you can't even tell me that much
