I heard there was a secret chord
David played and he pleased the Lord
You don't really care for music too
It goes like this the fourth the fifth
The minor chord and the major lift
The baffled king composing hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah
Your faith was strong and you needed proof
You saw her bailling on the roof
The moonlight and her beauty overthrew you
She tied you to her kitchen chair
She broke your throne and she cut your hair
From your lips she drew the hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah
Maybe I've been here before
Because I know this room and I walked this floor
You still live alone for a new year
I've seen your flying on the marble arch
And love is not a victory march
It's cold it's broken hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah
There was a time that you let me know
What's really going on below
Now you'd never show to me do you
I remember when I moved in you
The holy down was moving too
And every breath we drew was hallelujah
Hallelujah, hallelujah
Hallelujah, hallelujah
Oooooooh Oh God
I never read your book
I'm sure it was devine
