

Bienvenue À Paris - 1/1

Interprété par Bill Baxter.

Bienvenue à Paris, les filles sont si jolies
Welcome to the city we're glad to know you're here
Bienvenue à Paris la fête n'est pas finie
Welcome to the city it's nice to see you here

Well I think it was really nice of Bill Baxter
To welcome Tippa to Paris cause I'm from London
And I don't know the town and they promised
They show me around

T'es-tu balladé sur les Champs Elysées ?
Well O.K. lads show me the way
As-tu traversé le Pont Neuf à pied ?
I think we'll save that for a rainy day
As-tu découvert l'Ile de la Cité ?
Notre-Dame is that where that hunch back stay ?
As-tu trempé ton pain beurré
Dans ton café au lait ?

Bienvenue à Paris, les filles sont si jolies
Welcome to the city we're glad to know you're here
Nice to be in Paris the girls are so pretty and
Great to be in your city so many things to see

Hey es-tu partant pour un french cancan ?
Oh yes, I am, I am, I am
As-tu vu le ciel du haut de la tour Eiffel ?
That something I just can wait to see
As-tu senti comme les taxis sont gentils ?
I think all cabs driver they lost there brains
As-tu acheté pour ta fiancée
Des bijoux chez Cartier ?
