

Sympathy - 1/1

Interprété par The Goo Goo Dolls.

Stranger than your sympathy
This is my apology
I'm killing myself from the inside out
And all my fears have pushed you out

I wish for things that I don't need
All I wanted
And what I chase won't set me free
All I wanted
And I get scared but I'm not crawling on my knees

Oh yeah everything's all wrong yeah
Everything's all wrong yeah
Where the hell did I think I was

Stranger than your sympathy
I take these things so I don't feel
I'm killing myself from the inside out
Now my head's been filled with doubt

It's hard to lead the life you choose
All I wanted
When all your luck's run out on you
All I wanted
You can't see when all your dreams are coming true

Oh yeah it's easy to forget yeah
You choke on the regrets yeah
Who the hell did I think I was

Stranger than your sympathy
All these thoughts you stole from me
I'm not sure where I belong
Nowhere's home and I'm all wrong

And I wasn't all the things
I tried to make believe I was
And I wouldn't be the one to kneel
Before the dreams I wanted
And all the talk and all the lies
Were all the empty things disguised as me
Yeah stranger than your sympathy stranger than your sympathy
