Oh, hey...  
Oh, yeah, oh yeah  
To you  
Mmm...mmm...mmm...  
Oh,yeah, babe  
My whole life has changed  
Since you came in, I knew back then  
You were that special one  
I'm so in love, so deep in love  
You make my life complete  
You are so sweet, no one competes  
Glad you came into my life  
You blind me with your love,with you I have no sight  
Girl, you open me, I'm wide open  
And I'm doing things I never do  
But I feel so good, I feel so good  
Why it takes so long for me to find you  
This is my story and I'm telling you  
It's not fiction, it's surely a fact  
Without you right here having my back  
I really don't know just where I'd be at  
Chorus:  
My whole life has changed  
Since you came in, I knew back then  
You were that special one  
I'm so in love, so deep in love  
  
You make my life complete  
You are so sweet, no one competes  
Glad you came into my life  
You blind me with your love, with you I have no sight  
I analyzed myself, I was buck wild  
Never thought about settling down  
But all the time I knew I was ready  
But not with all my friends around
