

Hello - 1/1

Interprété par Ginuwine.

Chorus: 2x

I'm all alone
Baby pick up the phone
And call a brother sometime
to see what's on my mind

Chorus:

Hello my love
Yo its me again I can't figure out where the hell you been
Can you feel me in on just where we stand
I thought I was nig I thought I was your man
You used to share the things things that lovers do
Can't lose your love Girl I'm telling you
All my life its been such a hectic race
Wanna settle down , you, I cannot replace

Chorus 2x

Sitting, thinking here, bout the times we shared
Now I 'm feeling down, cause your never there
Calling constantly, blowing up your phone
wondering if your ever coming home
I can't think about nothing else but you,
so theres nothing there, I can't believe where through
All this time, I thought we would never part,
when we were in love, darling you had my heart

(speaking) Hello, yea, baby pick up the phone, I know you hear me.
baby, I'm sorry, I didn't mean
what I did, Know what I
mean? I know ya listening to me, baby, just pick up the phone. Be real
about, know what i mean?
ha, ha, all you going play me
like dat? I can't believe you going out like dat. You real ill, Know
what I mean? Dats alright doe, I'm
a keep callin

Chorus 3x

See whats on my mind, See whats on my mind
