"Last Night"

Last Night

I just want to enjoy my life and show this world how to care  
Nothing brings more joy to my life then Knowing' my girl would be there

Are you happy girl? (ooooo)  
Knowing' that you ran and broke my heart in a piece or two? (ooooo)  
Knowing' that I would have walked across the ocean for you?  
Saying' you're young and confused  
But that's a lame excuse  
That's why the only one to blame is you for

Last night  
Can't believe what I was hearing'  
Tellin' me to have a nice life(?)  
Tonight  
I don't think I'll spare your feelings  
Ima do for me whatz right

In your eyes I see a second chance  
maybe I should take another glance  
but for now I wash mah hands  
cuz I love you babe, I love you babe  
Pharrell say don't do it the same  
But I say I ain't playing mah games  
But for you mah soul still remains  
cuz I love you babe, I love you babe

Are you happy girl? (ooooo)  
Knowing' that you ran and broke my heart in a piece or two? (ooooo)  
Knowing' that I would have walked across the ocean for you?

Tellin' me to have a nice life(?)  
Tonight  
I don't think I'll spare your feelings  
Ima do for me whatz right

I hope your thinking (thinking girl that I was your man)  
I hope it sinks in (if you don't understand, if you don't understand)  
Promise(?) I'm dreamin /The way I feel about you

Oh baby  
See I ain't gonna be the one  
Ain't gonna play these games with you  
(But I still love you)  
Remember girl that I was your man  
Ain't nothing gonna take that away  
no, no, no, no, no  
See I remember in december  
We were walkin holding hands  
And I was your man  
(Can't we just get back to that.....baby ::laughs::)
