Take It from Here

Sometimes, Sometimes the world gets hard

Oh....

Ima take it from here girl

Don't you worry

I wanna be your lake or your bay

And any problems that you have

I wanna wash 'em away

I wanna be your sky

So blue and high

And every time you think of me

I wanna blow your mind

I wanna be your air

So sweet and fair

So when you feel that you can't breathe

Ma, I'll be there

and I wanna be your answer, all the time

When you see how I put your life before mine

With no question

When all the love feels gone

And you can't carry on

Don't worry, girl

Ima take it from here

Just as sure as the sun will shine

Every morning, every time

Don't worry, girl

Ima take it from here

I wanna hold your hands

Review all your plans

I wanna make sure everyone of your dreams'll stand

I wanna be your Broadway show on review

So I can act out how God was when he made you

I wanna be your lighthouse when you get lost

I'll light a bright and shinin path to help you across (I'll light the way for you baby)

I wanna be your mother

(Wait)

See what I see

When you see can't nobody hold you like me

Cuz I luv Ya

When all the love feels gone

And you can't carry on

Don't worry, girl

Take It From Here - 2/3

Ima take it from here
Just as sure as the sun will shine
Every morning, every time
Don't worry, girl
Ima take it from here
And when there's no one there to hold
And you realize the world is cold
Don't worry girl
Ima take it from here
Just as sure as the sun will shine
Every morning, every time
Don't worry, girl
Ima take it from here

Give me one reason
Why we should not be leaving
This world is so deceiving
The time is now
Let's fly away speeding
To the Garden of Eden
Where all the sweet are breathin (?)
And love surrounds

When all the love feels gone
And you can't carry on
Don't worry, girl
Ima take it from here
Just as sure as the sun will shine
Every morning, every time
Don't worry, girl
Ima take it from here

Give me one reason
Why we should not be leaving
This world is so deceiving
The time is now
Let's fly away speeding
To the Garden of Eden
Where all the sweet are breathin (?)
And love surrounds

When all the love feels gone
And you can't carry on
Don't worry, girl
Ima take it from here
Just as sure as the sun will shine
Every morning, every time
Don't worry, girl
Ima take it from here

Take It From Here - 3/3

See there's the good guys and also heartbreak groups
Your hearts the real book just take a look inside
Cuz it's a colorful illustrated guide

So there you go
I wanna be the one to help you weather thru the storm
I'll be there mami
no matter what time, no matter what place
