

What You Got - 1/3

Interprété par Justin Timberlake.

Oh No) What You Got

Timbaland:

Yea...

Mr. JT, a what you got for me
Mr. JT, a what you got for me
Mr. JT, a what you got for me
Mr. JT, a what you got, what you got

Mr. JT, a what you got for me
Mr. JT, a what you got for me
Mr. JT, a what you got for me
Mr. JT, a what you got, what you got

Justin:

You're sneaky
From the corner of my eye I saw you eyeing me
I know that you're watching
Tell me
What would you do if I encouraged you
To get next to me
When nobody's watching

The way your body keeps moving
Is something that makes me weak
Lets start our own little secrets
For just you and me to keep
Too late to come off shy now
You've already gone this far
So baby make your move, take charge
Show me what you got for me

Oh no

(Girl)

Is that your hands, (your hands), rubbing on me

Oh no

(Girl)

Is that your hands, (your hands), ooh on me

Oh no

(Girl)

Is that your hands, (your hands), rubbing on me

If so

(Girl)

If that's your hands, (your hands), then tell me what you got for me

Baby, I can tell that you want to do more

What You Got - 2/3

Than just dance with me
And I don't mind you flirting
But honestly
Do you really wanna spend the whole night
Passing looks at me
(Looks at me)
Come over here and get to working

The way your body keeps moving
Is something that makes me weak
(Makes me weak)
Lets start our own little secrets
(Yea)
For just you and me to keep
(Us to keep)
Too late to come off shy now
You've already gone this far
So baby make your move, take charge
(Oooh)
Show me what you got for me

Oh no
(Girl)
Is that your hands, (your hands), rubbing on me
Oh no
(Girl)
Is that your hands, (your hands), ooh on me
Oh no
(Girl)
Is that your hands, (your hands), rubbing on me
If so
(Girl)
If that's your hands, (your hands), then tell me what you got for me

Oh, oh, oh, oh
