

Where's The Love - 1/1

Interprété par Hanson.

Something's been going on and I don't know what it is, oh
You don't mind the taking girl, but you don't know how to give
You drove me crazy but I don't know baby
You're thinking that it's me you're fooling
Where's the right in, all of our fighting?
Look at what you're doing

Chorus:

Where's the love
It's not enough
It makes the world go 'round and 'round and...
Where's the love
Give it up
It makes the world go 'round and 'round and 'round

Can you tell me what you see whenever you look around?
We're tripping all over ourselves and pulling each other down
We're separating, consciousness is fading
Are you thinking that it's me you're fooling?
Where's the right in, all of our fighting?
Look at, look at, look at what we're doing

Chorus

Dark clouds all around, lightning, rain pouring down
Waiting for the bright light to break through
Face down on the ground
pick us up at the lost and found
We're got to change our point of view, if we want the sky blue, yeah, ooh
We're segregating, consciences are fading
You're thinking that it's me you're fooling, yeah
Where's the right in, all of our fighting
Look at what we're doing

Chorus (2x)
