

Backstage Queen - 1/1

Interprété par Scorpions.

Hey little Donna, sweet little Donna I know
You wanted my love and I gave it to you
Hey little Donna, sweet little Donna you know
Goodbye is hello, 'cos I'm on the road

Take it easy, don't get me wrong,
Just keep me in your dreams
Take it easy, life goes on
My little backstage queen

Hey little Donna, sweet little Donna so good
My feeling with you was all very true
Hey little Donna, sweet little Donna you know
Goodbye is hello, 'cos I'm on the road

Take it easy, don't get me wrong,
Just keep me in your dreams
Take it easy, life goes on
My little backstage queen

Take it easy, don't get me wrong,
Just keep me in your dreams
Take it easy, life goes on
My little backstage queen

Hey little Donna
Sweet little Donna
Goodbye Donna

Sweet little Donna
Hey little Donna
Goodbye Donna

Sweet little Donna
Goodbye Donna
Goodbye Donna
Goodbye Donna
Goodbye Donna
