

Drifting Sun - 1/2

Interprété par Scorpions.

Well, I'm sitting on a stone
Sitting all alone
Day things are rolling down the mountain
Well see the lonesome tramp
Who's living in the damp
Nobody's in the valley

Shine on, Shine on sun
Oh it's so cold right here
Shine on, Shine on sun
Shine on all night long
All night long

Baby doll, I'm sad and blue
Icy wings will carry you
Well, midnight sun will never shine
Just ravings of a fool
You think and laugh about him all the time

Shine on, Shine on sun
Oh it's so cold right here
Shine on, Shine on sun
Shine on all night long, all night long
All night long, yeah

White pale velvet autumn sun just fades away
Forgotten life will finish now in endless gray
Some days like drifting haze
Some days like glowing blaze
Some days like tides of light
Some days like tides of night

White pale velvet autumn sun just fades away
Forgotten life will finish now in endless gray
Some days like drifting haze
Some days like glowing blaze
Some days like tides of light
Some days like tides of night

Yeah...
Yeah...

Travelling along a tropic highway
Crazy lights are whirling 'round and 'round
Hell or heaven, night or day
Burning fingers put the sun away

Drifting Sun - 2/2

Shine on, Shine on sun
Let it shine on all night long
Shine on, Shine on sun
Let it shine on all night long
