

Fly To The Rainbow - 1/2

Interprété par Scorpions.

Life is empty, can't remember anytime before,
On a plain lit cold December, see it evermore,
Gliding through this life, and another as a child,
Ever doing games, and losing things,
Always playing gigs.

Somewhere in the sky, where the moon the stars shine bright,
Where the sun is shining, in the night.
I am in disgrace, yet I see a smiling face,
And I hope you let me, share your place.
I don't live today.

Rain in the sky , make the world fly,
Into time, beg me your time.
Sun in the sky, make the world fly,
Into time, beg me your time.

Rain in the sky , make the world fly,
Into time, beg me your time.
Sun in the sky, make the world fly,
Into time, beg me your time.

Rain in the sky , make the world fly
Into time, beg me your time.
Sun in the sky, make the world fly
Into time, beg me your time.

I lived in magic solitude
With cloudy looking mountains
The lake made out of crystal raindrops
Run through space, two thousand years ago
I've seen the giant city of Atlantis
Sinking into an eternal wave of darkness
Shhh.

Somewhere in the blue distance
Are those long forgotten trees of yore
Broken lives hidden down in the sand
Darkness everywhere and nothing more

Symbols, strange symbols melancholy
Painting torrid colours on a sky of green
Candle breathing one night only
Far away, in chillness, bleak, unseen
Drifting galley, ghostlike shadow
Sails rigged to catch and kill the time

Fly To The Rainbow - 2/2

Echoes wandering down an endless meadow
A thing... sublime
