

## I Wish - 1/2

**Interprété par Billy Crawford.**

Yeah... ohhh... yeah... ohhh...  
Every night that I'm away from you  
Is a moment I can't live through  
Wish I knew just what to do,  
'Coz it doesn't feel right  
Sometimes when I close my eyes  
I can hold you in my mind  
When will I be satisfied?  
Wish I won't keep dreamin'...

I wanna tell you, what I've been going through  
I wanna hold you, close to my heart  
And make you smile again, just like i did back then  
How could we be so far apart?...

I wish you were here  
To shed off my tears  
Wish I could close my eyes...  
And make you appear  
Wish I could just snap my fingers  
That is the time when you were mine  
And I wish that hocus-pocus...  
Could change your goodbye

I just wish you could see these eyes  
Baby I apologize...  
Should've been there when you cried...  
Can you forgive me?  
I know I'm sayin' these words in vain  
My love can't you feel my pain?  
I wish that all the rain, fall down from the sky  
I've never told you, how much I love you  
I just let the moment passed me by.  
I couldn't see it, but you've made me believe it  
Now that I know it...  
I wish you could hear it

I wish you were here.  
Shed off my tears (oh yeah)  
(Make you appear...)  
Wish I could snap my fingers (oh,oh)  
And I wish that hocus-pocus...  
Can change your goodbye  
I wish you were here  
(Ohh) shed my tears  
Ohh yeah... ohh yeah...  
Wish I could snap my fingers,

## I Wish - 2/2

That is the time when you were mine  
And I wish that hocus-pocus  
Can change your goodbye...

I just can't stop, thinking about us  
If you can hear this...  
Grant me these wishes...  
Ooohhh... yeah... yeah  
Starlight, Star bright  
First star I see tonight  
Wish I may, wish I might...  
Have my wish tonight (ooh)  
Have my wish tonight (ooh)  
Wish you were here  
Oohh... yeah... oohh...  
Lady, my dear (oohh)  
Wish you were here, yeah... oohh...  
Wish you were here, yeah... oohh...  
Wish you were here, yeah... oohh...  
Wish you were here, yeah... oohh...  
Wish you were here, yeah... oohh...  
Wish you were here, yeah... oohh...  
Wish you were here, yeah... oohh...  
Baby, that is the time when you were mine  
Starlight, star bright  
Hmmm... first star I see tonight  
Ooohhh... yeah....
