Why avec Michael Jackson

Why does Monday, come before Tuesday Why do summers start in June Why do winters come too soon Why do people fall in love When they're always breaking up, oh why Why do we love if love will die

Why does Wednesday come after Tuesday Why do flowers come in May Why springtime go away Why do people fall in love When they're always breaking up, oh why Why do I love you tell me why

It's not like I can explain what's in my heart It's just I feel a crazy pain when we're apart I don't wanna breathe, I don't wanna think I don't wanna learn I don't wanna do anything

It's not like I can describe what's going on It's just I feel I'm not alive When you're not home I just wanna sleep, I don't wanna be I just want you here beside me Without you there's no me

Why does Monday come before Tuesday Why do summers start in June Why do winters come too soon Why do people fall in love When they're always breaking up, oh why Why do we love if love will die

Why does Wednesday come after Tuesday Why do flowers come in May Why does springtime go away Why do people fall in love When they're always breaking up, oh why Why do I love you tell me why
