

Shout 2000 - 1/2

Interprété par Disturbed.

Shout, Shout, Let it all out
These are the things I can do without
Come on, I'm talking to you, so come on

In violent times...
You shouldn't have to sell your soul
In black and white...
They really really ought to know
Just don't know
Those wandering minds...
Who took you for a working whore
Kiss them goodbye...
They shouldn't have to jump for joy
Jump jump jump jump jump

You shouldn't have to shout for joy shout

They give you life...
and in return you gave them hell
As cold as ice not witch your ice ice baby
I hope we live to tell the tale
I hope we live to shout the tale shout

Will you never shout
HUH
I feel as though you're never gonna let it all out
Will you never shout?
HUH
I feel as though I know
You're never gonna let it all out
Will you never shout?
HUH
I feel as though I know you're never gonna let it
And when you've taken down your gaurd...
If I could change your mind...
I'd really love to break your heart
Break break break break break

I'd really love to shout your heart shout

I'd really love to
Shout shout

Come on let me shout shout let me
Come on let me shout shout
Come on let me shout shout let me

Shout 2000 - 2/2

Come on let me shout shout
