

More Than A Woman - 1/1

Interprété par Saturday Night Fever.

Oh, girl I've know you very well
I've seen you growing everyday
I never really looked before
But now you take my breath away.

Suddenly you're in my life
Part of everything I do
You got me working day and night
Just trying to keep a hold on you.

Here in your arms I found my paradise
My only chance for happiness
And if I lose you know I think I would die.

Oh say you'll always be my baby
We can make it shine, we can take forever
Just a minute at a time.

More than a woman, more than a woman to me
More than a woman, more than a woman to me
More than a woman, oh, oh, oh...

There are stories old and true
Of people so in love like you and me
And I can see myself
Let history repeat itself.

Reflecting how I feel for you
Thinking about those people then
I know that in a thousand years
I'd fall in love with you again.

This is the only way that we should fly
This is the only way to go
And if I lose you I know I would die.

Oh say you'll always be my baby
We can make it shine, we can take forever
Just a minute at a time.

More than a woman, more than a woman to me
More than a woman, more than a woman to me
More than a woman, oh, oh oh...
