

Toxic - 1/1

Interprété par Crazy Town.

Catch a fire, Fire it up/ Corrupt stirring it up/ It's burning hot ,drifting/ Hitting every slot / With a drop kick , it's toxic/ Trouble, like your girl in a mosh pit/ I've lost it/ and that the only way that we rock shit/ Banging heads and ripping threads/ If I wasn't rocking shows/ I'd be better off dead/ With a one two/ One word can destroy your whole crew/ And that's toxic

Toxic, loud and obnoxious/ Crazy Town's toxic/ With that, rock your block Shit/ Toxic, popping more lip/ We love to talk shit/ Rocking your block with that straight out the block shit, Toxic

A buddha, ballistic/ Blacklisted twist of faith/ My vocal's fatal/ As naughty block concoctions rock your cradle/ I thought I wait 'til the timing was right / To ingite/ Cause people like me we only come out at night/ I rock the main line and party with fine bitches/ Which is a dirty job/ But somebody's got to do it So, who the crew with?/ More has than vivid/ Lyrics explicit/ So fuck the critics/ We leave them hanging like INXS.

Toxic, loud and obnoxious/ Crazy Town's toxic/ With that, rock your block Shit/ Toxic, popping more lip/ We love to talk shit/ Rocking your block with that straight out the block shit, Toxic

Toxic thresholds of Colombian gold/ You can't roll how we roll/ We possess you soul and push the panic/ Is it godly or satanic?/ Toxic or organic?/ Manic minds refine or frantic/ Just the way we planned it / See we be stomping around the planet and we stand alone / We infiltrate your chromosomes/ No clone our DNA has got a strain of it's own and it's Toxic .

Toxic, loud and obnoxious/ Crazy Town's toxic/ With that, rock your block Shit/ Toxic, popping more lip/ We love to talk shit/ Rocking your block with that straight out the block shit, Toxic
