

## Don't Believe Her - 1/2

**Interprété par Scorpions.**

Out for a thrill  
Got time to Kill  
Just livin' up my dreams  
For heaven's sake  
She's on the make  
A twisted vicar's queen  
And then one night we took a ride  
She was all over me  
Outrageous  
Just ain't real  
I was too wasted to see

Before you get into deep  
And you get burned by the heat  
Ooh yeah  
She'll take you there  
You know it happened to me

She'll make your heart break  
She'll give you fever  
She'll tell you everything but don't believe her  
A perfect stranger  
She knows the game  
She'll promise heaven on earth  
But don't believe her

Out on the streets of broken dreams  
Where no one ever wins  
Just when you thought you'd made a start  
You're back where you begin

Before you get into deep  
And you get burned by the heat  
Wow yeah  
She'll take you there  
I think you know what I mean

She'll make you crazy  
She's such a teaser  
Say you're the only one but don't believe her  
She deals in danger  
The girl's insane  
She'll promise heaven on earth  
But don't believe her  
Just don't believe her

Before you get into deep
