

## Couldn't care less - 1/1

Interprété par No Angels.

I guess I'm okay now in every way  
I manage somehow since  
You went away. To find yourself  
I hope you do 'cause now. now we are through

I couldn't care less  
If you don't love me  
I couldn't care less  
If you don't want me  
But I gotta confess  
That when you abandoned my heart  
You know. You tore it apart

I've got my strenght back  
to go on with my life  
The nights getting shorter now  
And days are passing by  
And god knows I cried  
But now I know I'm finally over you

Now the loneliness is gone  
It's time to move on. 'cause I know that I will  
Make it on my own  
'Cause I can smile again  
It's more than I could then  
It's funny how time can heal a heart

I couldn't care less  
If you don't love me  
I couldn't care less  
If you don't want me  
But I gotta confess  
That when you abandoned my heart  
You know. You tore it apart
