Rivers of joy - 1/2

Interprété par No Angels.

I've been around and I'm just wishing on a Star
I've travelled long ways. But I've never been this far
I've seen the world with my eyes. Never did I know
But I'm gonna find a way. No matter what they say

In the Rivers of Joy- Hallelujah.
Joy - I believe
In the Rivers of Joy- Hallelujah.
Joy - I will find
In the Rivers of Joy- Hallelujah
All the happiness
In the Rivers of Joy- Hallelujah
Joy - of the World

I've been around and I'm just wishing on a Star
I've travelled long ways. But I've never been this far
I've seen the world with my eyes. Never did I know
But I'm gonna find a way. No matter what they say

There are Times when I just wanna lay down on the Ground
And never release again no matter what's been found
But then I realise. I have to carry on
And I try to move along the Rivers full of Joy

So many People pass me by without a thing
I try to catch them. But I don't know if it's right
As far as I can see. I still got much to learn
But I have to find a way. No matter what they say

It's Time to wake up now. 'Cause much is still undone
I made up my mind and nothing gets me down
And I won't stop this Time until I'm really through
And I have to move along to the Rivers full of Joy

In the Rivers of Joy- Hallelujah.
Joy - I believe
In the Rivers of Joy- Hallelujah.
Joy - I will find
In the Rivers of Joy- Hallelujah
All the happiness
In the Rivers of Joy- Hallelujah
Joy - of the World

And now when I know myself
I see it all so clear - There's nothing more to fear

You can find joy and happiness

Rivers of joy - 2/2

No matter what Storm you come across
So hear me when I say. You're here to stay
Hold on thight and I'll be right

You can find Joy and happiness
No matter what Storm. Just happiness
You just take a look deep down - In the Rivers of Joy
