

## Still In Love With You - 1/2

**Interprété par No Angels.**

The best time I ever had  
When you were mine  
Said to myself to keep you near  
Never let you go  
Trains and boats and aeroplanes  
Took me away from you  
Way from all the love we had  
From all the things we shared  
And tell me what can I do  
You're always on my mind

If I could sing my song to you  
I'd tell you how my heart is broken too  
From any corner of the world  
I'd let you know  
I'll always be your girl  
I'm still in love with you

Lonely days and lonely nights  
Since you've been gone  
I miss your touch I miss your smile  
Always by my side  
I think about the times we had  
And now I know why oh why  
Why you had to steal my heart  
When we're a world apart  
So tell me baby what should I do  
You're always on my mind

If I could sing my song to you  
I'd tell you how my heart is broken too  
From any corner of the world  
I'd let you know  
I'll always be your girl  
I'm still in love with you

I feel in love with you

Oh oh oh  
If I could sing my song to you  
Oh Baby  
You know my heart is true  
You're always on my mind

If I could sing my song to you  
I'd tell you how my heart is broken too  
From any corner of the world

I'd let you know  
I'll always be your girl
