[Chorus]

[Charlie "Chuck" Baltimore]
Now baby i told you i can show you
better than i can tell you
Don't try to bring the conversey and mail
Just sweet words and naked photos
I'm still that pretty down down ass 2 cars behind ya 6
And i diss any clown ass rockin my brown ass
only a down ass
And it's all for you
I'm grown a tad bit since we been at it like rabbits
To move a little bumper and it's
[(Ja rule) AND IT'S ALL FOR RULE]
Shit Who gon' love you like that?
Thug with you wit a stak to the ceilin
And split in the dub with you
Cuz i played my position with KO-D's, O G's
Until that blood shed blood red and we O-Ded
Remember every word that ya told me
[(Ja Rule) SHOWED ME HOLD ME]
All you need in your life is
Chuck, drugs, and dubs on 22's
Now tell me who the hunnie for you
Chuck

[Chorus 2x]
