

Flowers Grave - 1/1

Interprété par Tom Waits.

Someday the silver moon and I will go to dreamland I will close my eyes and wake up there in dreamland And Tell me who will put flowers on a flower's grave? Who will say a prayer? Will I meet a China rose there in dreamland? Or does love lie bleeding in dreamland? Are these days forever and always?

And if we are to die tonight Is there a moonlight up ahead? And if we are to die tonight Another rose will bloom

For a faded rose
Will I be the one that you save?
I love when it showers
But no one puts flowers
On a flower's grave

As one rose blooms and another will die It's always been that way I remember the showers But no one puts flowers On a flower's grave

And if we are to die tonight Is there a moonlight up ahead? I remember the showers But no one puts flowers On a flower's grave
