

Fight - 1/2

Interprété par Ali.

[Intro]

Hey, yes
Where's your faith in Jesus
Um hmm, um hmm, um hmm, um hmm

You think I don't understand
You think your baby don't know what's going on
How come everyone keeps tellin' me
What my own two eyes should see
Where's your faith in me

[1] - And still I love you
And I'm still gonna pray for you
And I still got hope for you
And I still gotta make my move
I don't care what they say to you
I still got a thing to do
Fight and it's on you
So what am I suppose to do

[2] - Is it really not right to fight for you
I didn't come all this way just to loose
I didn't give you my heart so you could break it
We're gonna make it
Even if I have to fight for you

Freedom is a basic right
You can't take what's mine
I don't let nobody hold me down
I gotta fight
Gotta keep my dignity
Gotta do what I believe
Can't you understand
I'm tryna make a stand, hey hey

[Repeat 1]

[Repeat 2]

[Repeat 2]

Oh, cuz I will if I have to
If I have to, I will
You know I will if I have to
If I have to, I will
And I won't loose if I have to
If I have to I will, oh
And my will's gonna stand, watch you
Stand here watch you walk and turn your back on me

Fight - 2/2

Said I'll fight for you, baby
