

## I Want To Know What Love Is - 1/2

Interprété par Tina Arena.

Gotta take a little time  
A little time to think things over  
Better read between the lines  
In case I need it when I'm older  
Ooh yeah  
This mountain I must climb  
Is like the world upon my shoulders  
Through the clouds I see love shine  
It keeps me warm as life grows colder  
In my life  
There's been heartache and pain  
I don't know if I can face it again  
Can't stop now  
I've traveled so far  
To change this lonely life  
I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me  
Yeah  
Gonna take a little time  
A little time to look around me  
Got nowhere left to hide  
Looks like love has finally found me  
In my life  
There's been heartache and pain  
I don't know if I can face it again  
Can't stop now  
I've travelled so far  
To change this lonely life  
I wanna know what love is  
I want you to show me  
I feel what love is  
I know you can show me  
Yeah  
Lord help me to be strong  
On this road I travel on  
When I'm lost and lonely  
Find me  
My journey's just begun  
And I'm not the only one  
Cause I wanna know  
I wanna know  
Yes I've found out  
I want you to show me  
I wanna feel what love is  
Oh yeah

## I Want To Know What Love Is - 2/2

I know you can show me  
I wanna know what love is  
Yes I've found out  
I want you to show me  
I wanna feel what love is  
You can't hide  
I know you can show me  
Yeah, Nah yeah  
Cause I wanna know  
Wanna know  
Tell me what love is  
Do you know what it is  
Tell me what love is  
Show me what love is  
Show me what love is
