

Do You Really Want To Hurt Me - 1/2

Interprété par Culture Club.

Give me time
To realise my crime
Let me love and steal
I have danced
Inside your eyes
How can I be real

Do you really want to hurt me
Do you really want to make me cry
Precious kisses, words that burn me
Lovers never ask you why
In my heart the fire's burning
Choose my colour, find a star
Precious people always tell me
That's a step a step too far

Do you really want to hurt me
Do you really want to make me cry
Do you really want to hurt me
Do you really want to make me cry

Words are few I have spoken
I could waste a thousand years
Wrapped in sorrow, words are token
Come inside and catch my tears
You've been talking but believe me
If it's true you do not know
This boy loves without a reason
I'm prepared to let you go

If it's love you want from me
Then take it away
Everything is not what you see
It's over again

Do you really want to hurt me?
Do you really want to make me cry?
No I don't really want to hurt you
Then lovers always asked me:
Why why why why

In my mind memory's burning
What's your favorite color of your favorite car?
I took a step the step was learning
That that's a step beyond a step too far

Do you really want to hurt me?

Do You Really Want To Hurt Me - 2/2

Do you really want to make me cry?
No I don't really want to hurt you
I told the truth but it was still a lie

The words are few some are unspoken
I could sleep four thousand years
Man of sorrows word unbroken
His sweat like blood came down like tears

I've been talking but believe me
I know that it's true
Now that there's no more I don't know
I'm in love and love's the reason
I'm not prepared to let you let me go so
If it's love you want then take all of me
It's this love I want I can finally see

Do I really want to hurt you?
Do I really want to make you cry?
Yes I suppose I want to hurt you
You told the truth but it was still a lie
