

Enter Sandman - 1/1

Interprété par Metallica.

Say your prayers little one
Dont forget, my son
To include everyone
Tuck you in, warm within
keep you free from sin
till the sandman he comes
sleep with one eye open
gripping your pillow tight

CHORUS

Exit, light
Enter, Night
Take my hand
we're off to never-never land

Some things wrong, shut the light
heavy thoughts tonight
And they aren't of snow white
dreams of war, dreams of liars
dreams of dragon's fire
and of things that will bite
sleep with one eye open
gripping your pillow tight

CHORUS

SOLO

Now I lay me down to sleep (x2)
I pray the lord my soul to keep (x2)
If i die before i wake (x2)
I pray the lord my soul to take (x2)

hush little baby, don't say a word
never mind that noise you heard
it's just the beasts under your bed
in your closet, in your head

CHORUS (replacing 'take....land with 'grain of sand)

CHORUS (done the normal way)

AD LIB TO FADE
