

Everybody - 1/1

Interprété par Mad House.

I know you've been waiting
Yeah, I've been watching you
Yeah, I know you wanna get up
Yeah, come on

Refrain:

Everybody come on, dance and sing
Everybody get up and do your thing
Everybody come on, dance and sing
Everybody get up and do your thing

Let the music take control
Find a groove and let yourself go
When the room begins to sway
You know what I'm trying to say

Come on take a chance
Get up and start to dance
Let the D.J. shake you
Let the music take you

(refrain)

Let your body take a ride
Feel the beat and step inside
Music makes the world go 'round
You can turn your troubles upside down

Gonna have to change your mind
Gonna leave your troubles behind
Your body gets the notion
When your feet can make the motion

(refrain)

Dance and sing get up and do your thing
Dance and sing get up and do your thing

(refrain)

Everybody come on, everybody you can do your thing
