

Old Pop And An Oak - 1/1

Interprété par Rednex.

Old pop in an oak pop in an oak
once you could hear the older
sucker lingo show
Thought i ever gonna see my
old pop in an oak
ever gonna see his old pipe in a smoke

Our big daddy is always the leader
he is the families captain and chief
but once i choked when my snus got
caught in my throat
cause there was out pop in an oak

Our big mama she really had her guts go
when daddy put the barbeque on maximum
and caught her favourite-pet a
skunk who's name's garth
short after our pop was up far
