

Heat Wave - 1/2

Interprété par Marilyn Monroe.

Ow ! We're having a heat wave
A tropical heat wave
The temperature's rising
It isn't surprising
She certainly can can-can !

She started a heat wave
By letting her seat wave
It's such a joy, because it's a true
That she certainly can can-can
Gee-gee
Bird's a enemy
Makes a mercury
Shoot to 93
Ow ! Ow ! Ow ! Ow !

Having a heat-wave
A tropical heat-wave
The way that she moves
That thermometer proves
That she certainly can
What's your name honey ? Pablo !
Certainly can, Chico
Certainly can, Pablo, Chico, Miguelito !
Ow ! Can-Can !

Pablo is that you in there weather report
It's saying a for midably warm air is moving in from
Where ? Jamaica
Moderately high bear air pressure will cover
The North-east and - Where else ?
The Deep South
Small danger of fruit frost
Hot and humid nights can be expected Vincent 95
GuadelouPe 97, Santa Domingo 99
Pardon me ? a 105 ?

We're having a heat-wave
A tropical heat-wave
The temperature's rising
It isn't surprising
She certainly can, can
I started this heat-wave
In such a way that
The customers say that
I certainly can, can-can
Gee-gee, gee

Heat Wave - 2/2

The man who need mates the mercury
Rise to 93

We're having a heat-wave
A tropical, tropical heat-wave
The way that I move
That thermometer prooves
She certainly certainly certainly can

I certainly, certainly certainly can
Can-can
