

Everyday - 1/1

Interprété par Bon Jovi.

I used to be the kind of guy
Who'd never let you look inside
I'd smile when I was crying
I had nothing but to a lot to lose
Thought I had a lot to prove
In my life there's no denying

Goodbye to all my yesterdays
Goodbye, so long, I'm on my way

Chorus: I had enough of crying, bleeding, sweating, dying
Hear me when I say, gonna live my life everyday
I'm gonna touch the sky, spread these wings and fly
I ain't here to play
Gonna live my life everyday

Change, everybody's feelin' strange
Never gonna be the same
Makes you wonder how the world keeps turning
Life, learning how to live my life
Learning how to pick my fights
Take my shots while I'm still burning

Goodbye to all those rainy nights
Goodbye, so long, I'm moving on

Chorus: I've had enough of crying, bleeding, sweating, dying
Hear me when I say, gonna live my life everyday
I'm gonna touch the sky, spread these wings and fly
I ain't here to play
Gonna live my life everyday
Hit the gas, take the wheel, I just made myself a deal
There ain't nothing gonna get in my way
