YOU SET ME FREE

Can't you see?
There's a feeling that's come over me
Close my eyes
You're the only one that leaves me completely breathless

No need to wonder why
Sometimes a gift like this you can't deny

'Cause I wanted to fly,
so you gave me your wings
And time held its breath so I could see, yeah
And you set me free

There's a will
There's a way
Sometimes words just can't explain
This is real
I'm afraid
I guess this time there's just no hiding, fighting
You make me restless

You're in my heart
The only light that shines
there in the dark

'Cause I wanted to fly,
so you gave me your wings
And time held its breath so I could see, yeah
And you set me free

When I was alone
You came around
When I was down
You pulled me through
And there's nothing that
I wouldn't do for you

'Cause I wanted to fly,
so you gave me your wings
And time held its breath so I could see, yeah
And you set me free

SOMETHING TO SLEEP TO

You Set Me Free - 2/3

She's his yellow brick road
Leading him on
And letting him go as far
as she lets him go
Going down to nowhere

She puts on her make-up
The same way she did yesterday
Hoping everything's the same
But everything has changed

In my mind
Everything we did was right
Open your eyes, I'll still be by your side
How could I ever have been so blind?
You give me something to sleep to
at night

He wakes up to the sound
So scared that she's leaving
He wishes she were still
asleep next to him
Hoping she will change

In my mind
Everything we did was right
Open your eyes, I'll still be by your side
How could I ever have been so blind?
You give me something to sleep to
at night

You give me something to sleep to
And all I know is
You give me something to dream to when I'm all alone and blue
Don't leave me now
Don't leave me now

Don't leave me now
Don't leave me now
Don't leave me now
Don't leave me now
Don't leave me now
Don't leave me now

In my mind
Everything we did was right
Open your eyes, I'll still be by your side
How could I ever have been so blind?
You give me something to sleep to
