Interprété par Mary J Blige.

You are my everything
You are my everything
You my everything everything everything everything
It's all because of you
I'm never sad and blue
You brighten up my day
In your own special way
Whenever you're around
I'm never feel in' down
You are my trusted friend
On you I can depend

Chorus 1:

You take me away from the pain
And you bring me paradise
And of all the cloudy days
You brought sunshine in my life
It never occurred to me
The first time I saw your face
I would fall so deep in love
That your love can't be replaced

Chorus 2:

You are my everything
Love so good
Only you can bring
You are my everything
You are everything
And everything is you
My darling, only you
Can make my dreams come true
And every night I pray
You'll never go away
I promise I will try
Until the day I die
To treat you like a king
Cuz you are my everything
