

Gots Ta Be - 1/2

Interprété par B2k.

[Verse 1:]

It's not my way, to talk to strangers
But I feel like I already know you, ooh
And if you need somebody
I wanna manage you, huh
I can tell that you've been through some changes in your past, relationships
But come on and walk through that door
Cause I'm what you've been waitin for
Whatever love you want (let it all)
Girl we've got lots of love (we can talk)
Girl all the good times and bad times

[Chorus 1:]

I wanna be the gots ta be in your life
Gots ta be the one that makes you sad
Gots ta be the one you never had
Gots ta be the one that you want so damn bad
Gotta be, gotta be, gotta be your everything (everything)
Gots be the only one you fight
Gots ta be the one that makes it right
Gots ta be the one you don't like half the time (the time)
Gotta be, gotta be, gotta be your everything

[Verse 2:]

Girl you just can't love everybody
I take it I'm the right one for you, ooh
But you gots to complete me
Cause everything that I tell you is true, yeah

Be the good, the bad
Be the gots ta love that you run to
Girl
Whenever you want some love (let it all)
Girl we've got lots of love (we can talk)
Girl all the good times, and bad times
